## About the Company

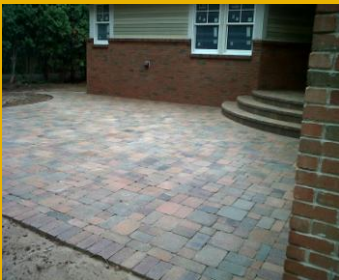

**Darren Yanke**  
Founder & Owner  
Yanke's Design & Construction  
Since 1981

### **Yanke's Design & Construction, Inc.**

was established in 1981 by owner and operator Darren Yanke. We are a licensed and insured company specializing in retaining wall restoration, brick pavers, and landscaping projects for both commercial and residential clients.

We are proud to be partnered with Jefferey Anagnostou, P.E., C.P.G., a licensed, experienced, geotechnical engineer, in Michigan and Ohio who brings 30 years of experience to recommend the best system for every client.
